

POSITIVE AFFIRMATIONS FROM RAPID TRANSFORMATIONAL HYPNOTHERAPY

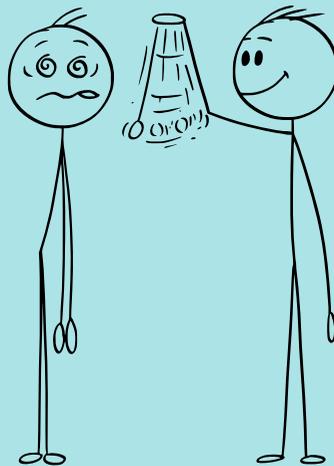

There is enough
to go around.

There is no glass
ceiling in life.

I have a mindset
of abundance.

If I can visualize
something, I can
achieve it.

I am excited by
change.

I'm OK with
rejection.

I accept what is
happening in my
life.

I am enough.

I have a lot to
offer the world.

I forgive myself
for every mistake
I've ever made.

I say positive
things and put
positive
messages all
around me.

I have money, I'm
rich, and I'm
abundant.

Money is a form
of energy and I
keep my energy
open to attract
it.
